- (b) Any phrase introduced by the terms including, include, in particular or any similar expression shall be construed as illustrative and shall not limit the sense of the words preceding those terms.
- (c) A reference to writing or written includes faxes and emails.

2. BASIS OF CONTRACT

- 2.1 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
- 2.2 The Order constitutes an offer by the Customer to purchase the Goods in accordance with these Conditions. The Customer is responsible for ensuring that the terms of the Order submitted by the Customer are complete and accurate.
- 2.3 The Order shall only be deemed to be accepted when the Company issues a written acceptance of the Order, at which point the Contract shall come into existence.
- 2.4 The Customer waives any right it might otherwise have to rely on any term endorsed upon, delivered with or contained in any documents of the Customer that is inconsistent with these Conditions.
- 2.5 Any samples, drawings or advertising produced by the Company and any illustrations contained in the Company’s catalogues or brochures are produced for the sole purpose of giving an approximate idea of the Goods referred to in them. They shall not form part of the Contract nor have any contractual force.
- 2.6 A quotation for the Goods given by the Company shall not constitute an offer. A quotation shall only be valid for a period of 20 Business Days from its date of issue.

3. GOODS

- 3.1 The Goods are described in the Company’s catalogue.
- 3.2 The Company reserves the right to modify or amend the specification, design and material of the Goods:
- (a) provided that such modifications or amendments do not materially affect the quality or functionality of the Goods; or
- (b) if required by any applicable statutory or regulatory requirements.
- 3.3 The Company shall not be responsible for including or affixing any warning notices to the Goods or their packaging concerning the use of the Goods. The Customer shall be responsible for ensuring that all such warning notices are in place in accordance with applicable law, and the Company gives no warranties nor makes any representation that the packaging for the Goods is suitable for the onward sale by the Customer.
- 3.4 Installation of the Goods may require a qualified person and the Customer shall be responsible for ensuring (save where the Company has agreed to install the Goods) that all applicable laws and regulatory requirements are met.
- 3.5 Any guidelines on health and safety within the workplace provided by the Company are for information purposes only and the Customer must satisfy itself as to its legal and regulatory requirements.
- 3.6 Any recommended retail prices quoted in the Company’s price list or catalogues shall not limit the Customer’s right to set its own resale price for the Goods.

4. DELIVERY

- 4.1 The Company shall ensure that:
- (a) each delivery of the Goods is accompanied by a delivery note that shows the [date of order, customer order number, quantity, model number and description]; and
- (b) if the Company requires the Customer to return any packaging materials to the Company, that fact is clearly stated on the delivery note. The Customer shall make any such packaging materials available for collection at such times as the Company shall reasonably request. Returns of packaged materials shall be at the Customer’s expense.
- 4.2 The Company shall deliver the Goods to the location set out in the Order or such other location in the United Kingdom as the parties may agree (Delivery Location) at any time after the Company notifies the Customer that the Goods are ready. Delivery is completed on the completion of unloading of the Goods at the Delivery Location.
- 4.3 All deliveries outside of the UK shall be subject to express written agreement and shall be delivered FOB (Incoterms) and the Customer shall be responsible for all necessary import licences, clearances and other consents necessary for the purchase of the Goods and to ensure that the Goods comply with all local legislative or legal obligations and shall be responsible for any customs duties, clearance charges, broker’s fees and other amounts payable in connection with the exportation and importation of the Goods.
- 4.4 Any dates quoted for delivery are approximate only, and the time of delivery is not of the essence. The Company shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer’s failure to provide the Company with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
- 4.5 If the Company fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods. The Company shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event or the Customer’s failure to provide the Company with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
- 4.6 If the Customer fails to accept delivery of the Goods within three Business Days of the Company notifying the Customer that the Goods are ready, then, except where such failure or delay is caused by a Force Majeure Event or the Company’s failure to comply with its obligations under the Contract:

- 4.8 The Company may deliver the Goods by instalments, which shall be invoiced and paid for separately. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.
- 4.9 The Customer shall inspect the Goods and notify the Company of any apparent defects or deficiencies within 24 hours of delivery. The Customer shall be deemed to accept any Goods (save in the case of non-apparent defects or deficiencies) should it not notify the Company within this timescale.

5. CANCELLATION

- 5.1 Without prejudice to Clause 6, the Company shall not be obliged to accept cancelled Orders or returns unless expressly agreed otherwise. - 5.2 Any returned Goods must be unused, in the original packaging and include all manuals or other documentation supplied with the Goods. The Customer must provide proof of purchase and delivery. The Customer may be liable for a restocking fee equal to 25% of the price of the Goods under the Contract.
